

Panhandle Connector Trail - Phase 1

Settlers Cabin Park

Overview The Parks Foundation completed the first phase of a trail segment that enables trail users to connect from Settlers Cabin Park to the Panhandle Trail spur of the Montour Trail. When completed, the connector will eventually give access from Settlers Cabin Park to South Park and the Great Allegheny Passage.

Partners Allegheny County

Funding PA State Department of Conservation and Natural Resources and Allegheny County

Allegheny County Parks Foundation

We work together to improve, conserve, and restore the nine Allegheny County parks.
